## “Roxie's Puzzle Adventure”

Now available in the iOS App Store, Google Playstore, and Amazon app store.

Finally the beautiful illustrations by Roxie Munro playable as a jigsaw puzzle for all ages. The amazing artwork with incredible complexity will keep adults, and children, challenged and busy for hours. It's addictive!

This gigantic hand-drawn maze from the award-winning "Roxie's a-MAZE-ing Vacation Adventure" game app is divided into 16 different puzzles. Each puzzle can be played with various difficulty levels.

### Features

- You can play on your iPhone, iPod Touch, and iPad, Android smartphones and tablets and Kindle Fire tablets.
- 16 highly detailed and complex illustrations, with new content coming soon...
- Play with up to 260 pieces (children can start with as few as 6 pieces).
- Pieces can be locked in groups.
- For extra complexity, you can switch on the rotation of the pieces.
- The "Help" functions can make it a little easier by showing the end result or finding the corners first.
- Win 1, 2, or 3 stars depending on the complexity.
- Up to 5 different players can play different puzzles.
- Your progress is stored, so you can continue later.

OCG Studios mission is to develop and design beautiful, fun and engaging apps.

Educational note:

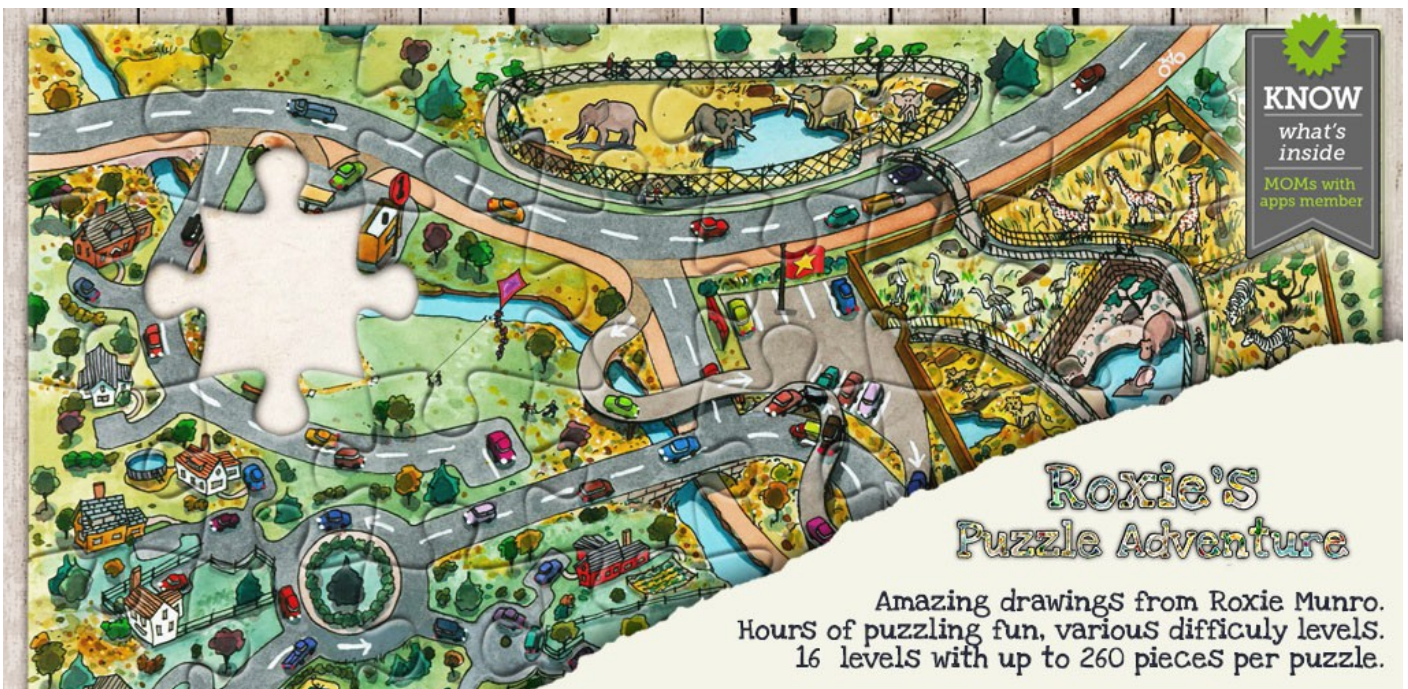

*From early childhood right through to adulthood we love to play with puzzles. We like the way they challenge our thinking and exercise our minds. Puzzles are an excellent tool for problem solving, fine motor development, spatial skills, and hand-eye coordination. They teach children concentration and focus, and are stimulating fun for jigsaw puzzle-loving adults.*
